Notes:

Registration

Normally, when a student registers to use the CollegeImageUSA.com web site, the registration fee will be \$1.00, and the Usage Fee will be \$10.00 per 3 months. At least 50% of the Usage Fee will be donated back to his or her college. Our goal is to ultimately donate 90% of the Usage Fees back to the schools for scholarships, nonprofit usage, or a college sanctioned charity.

1st 5,000 students

The above chart shows special incentives for the first 5,000 students to sign-up, register and begin using the CollegeImageUSA.com service. We want their feedback to assist in developing the site the way the students would like to see it, with the services they will use the most.

Which college Fund will benefit?

Unless previously arranged for the initial registration period, we will let the students from each college vote for which scholarship or non-profit fund that will receive the donation on a quarterly basis.
